

---

*Our Club has decided to discontinue our monthly Friday night cruise-ins at Dairy Queen. We would like to concentrate on our Show & Shines and the Big Annual June car show at Burns in the upcoming year of 2018.*

*By having these Friday nights free, we plan to spend some special time together as a Club and enjoy each other and our automobiles.*

*Burns Cadillac Chevrolet of Rock Hill remains our generous primary sponsor and we are so thankful for it.*
